Series of Six

Most spa services provide the most effective results with regular treatments; therefore, we offer several of our best in a “Series of Six” to give you the best results and the best part is that you get a great deal (six treatments for the price of five!) when the package is purchased in full. However, to achieve the maximum benefits of your treatments, they must be performed within a timely manner. Please note that the packages are listed with a time table in which all six services must be received—otherwise, remaining treatments in the package are forfeited with NO Refund! The packages are also intended for a single client and may not be shared or transferred.
